Allowable Subject Matter

1. Claims 1, 2, 5-7, 9, 11-14, 16, 18 and 19 are allowed.
2. The following is an examiner's statement of reasons for allowance: The closest prior art teaches the invention essentially as claimed but teaches a single soldering device for initial and corrective soldering and does not teach wave soldering. See Kobayashi. The closest prior art teaching multiple soldering tools does not teach a correcting step and does not suggest using separate tools for initial soldering and correcting. See Wood.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
